Presidents Report –

The Club Championships' were completed in April and the weather was kind to us. Well done to all that took part. There was a high standard of tennis and everything ran smoothly. Thanks in particular to Jill Holmes, James Hough-Neilson and Jenny Semple.

Thanks also to anyone else that helped or brought Food and to Mel Crichlow who put on an impromptu sausage Sizzle on the last day. Last but not least, thanks also to those members who assisted with the court clean up on the Tuesday prior to the tournament starting.

The presentation day was also a successful event on the 2nd May with Mel again doing the honors with the sausage sizzle. Thanks again to Jill for organizing the round robin and prize giving it was well received.

A new maintenance request sheet has been made up for C.O.J. And they seem to be responding with new nets and shade cloth repairs etc. We are still waiting for Court 3's lights and carpark lights to be fixed, although the councils maintenance people have been out on a number of occasions

The Council has approached me about resurfacing courts 3 & 6 this winter I've suggested court 1 & 2 are the courts they should consider and they have agreed to send someone out for and inspection.

The last organized event for the club will be the AGM, round robin and sausage sizzle on the 20th June please support the club at this important event.

Patrick Cashmore**

The Winter Season has all ready started for Tennis West and begins this week for NDTA. We have 6 Tennis West teams and 3 NDTA teams entered, Good Luck to all.

The Club Championships were held on 2 glorious weekends, with the middle Tuesday being a complete washout. Attendance was good with some well fought matches, and a great finals afternoon on the last Sunday. Thank you to all those who entered and well done to the winners (below). Thanks also to James Hough-Neilson, Jenny Semple, Mel Critchlow and Anne Witt who helped in running the championships and providing sustenance to the players! This years awards were prizes ranging from ORTC towels and keyrings to holdalls, caps, balls and water bottles. Thanks to Mike Roberts for getting many of the prizes at cost. The presentation day yesterday was very successful with beautiful weather again. Michael Stackpole and Jack Whitehead took the honours in the round robin and a sausage sizzle, organised by Mel was enjoyed by many. The next round robin will be held on AGM day (June 20th), I look forward to seeing many of you there.

We have lots of our ladies away or going away. Some of the destinations include South Africa, Bali, Europe, Asia and Broome. Happy travelling to all and we hope you have a great time.
